Schmeling Construction Co.
Attn: Steve Schmeling
315 Harrison Avenue
Rockford, IL 61104

Dear Steve and Peter,

Please accept this letter as my highest recommendation of your firm, Schmeling Construction Company of Rockford.

We recently had the pleasure to work with both Steve and Peter on a plant expansion project within our facility and they exemplified customer service to our company, held regular meetings as the general contractor with our staff and outside vendors on the project and communicated with us every step of the way.

Their team was extremely professional and responsive to a few concerns we had along the way of our project. They assisted to keep our project on a timeframe outlined even with multiple changes in the scope of the project.

Their onsite staff were respectful of other areas of our facility which were in normal operations mode. They took pride to clean up and keep the area within the building and outside the building in an organized manner. The area remained safe and secure for our employees while this construction project ensued within an area of our facility.

It truly was a pleasure to work with Schmeling Construction in all aspects of our expansion and would call them first on my next project here at Rock City.

Sincerely,

Deb Wycoff
CEO/Devansoy Inc.
