Joe Ratliff Jr.
Director of Operations

Over the past several years, Schmeling Construction has provided general contracting services for Genoa Kingston CUSD 424, successfully overseeing a variety of remodeling, roofing, and HVAC projects throughout our district. Their team has consistently demonstrated professionalism, reliability, and a strong commitment to quality workmanship.

From the planning stages to project completion, Schmeling Construction has maintained clear communication, careful coordination, and a proactive approach to problem-solving. Their ability to manage multiple trades and ensure projects stayed on schedule and within budget has been invaluable to our district.

The roofing, HVAC, and remodeling work completed under their supervision has not only improved the functionality of our facilities. Still, it has also enhanced the learning environment for our students and staff. Each project has been executed with attention to detail, safety, and long-term durability in mind.

We are extremely satisfied with Schmeling Construction's performance as our general contractor and highly recommend their services to any organization seeking a dependable, experienced, and trustworthy construction partner.

Preparing students to excel and contribute to their community
